ASQUITH LONDON FABRICS

Asquith London allows the wearer to buy ethically without sacrificing quality, style and design. We use the softest jersey fabrics that won't shrink, fade, bobble or stretch, so that the pieces can be loved, worn and treasured from season to season.

BAMBOO

- Exquisitely soft and durable
- Super Absorbent
- Naturally anti-bacterial (therefore reducing skin irritations)
- Let's your skin breathe & wicks moisture away from the body
- Grown without pesticides

ORGANIC COTTON

Our organic cotton is from GOTS (Global Organic Textile Standard) certified sources, so you know the raw cotton has been farmed giving consideration to the environment without the use of pesticides and chemicals.

TENCEL

Tencel is a natural fibre extracted from recycled wood pulp and the wood used comes from tree farms that practice sustainability. Tencel offers a unique combination of properties; soft, strong, warm, breathable and absorbent and naturally anti-bacterial. Smooth fibre surface & excellent moisture absorption makes it perfect for sensitive skin.
